MEC No. 15-0010-I

Dear Mr. Young:

The Missouri Ethics Commission considered the complaint filed against you at its May 29, 2015 meeting. The complaint alleged that you, while serving as the elected Lilbourn City Marshal, were later appointed by the Lilbourn City Council to be its City Administrator.

The staff review of this complaint found since your appointment in 2005 and through your subsequent elections, you have fulfilled the official duties of city Marshal which includes Code Enforcement Officer, Building Official, and Building Inspector as set out in city ordinances and resolutions. While the Board of Aldermen appointed you to the position of "Chief City Administrator" in June 2014, the Board did not provide additional compensation to you for performing any duties related to this position. In addition, you have not performed the duties of city Treasurer since the previous Treasurer's resignation.

From the facts presented, the Commission finds no reasonable grounds exist to support a violation of Chapter 105, RSMo, and is dismissing the complaint.

Sincerely,

A handwritten signature in cursive script that reads "James Klahr".

Executive Director
